Note:

All hands on deck! A white parchment holds a clue to a pirate's hidden stash of gold.

Can ye decipher the cryptic message written in white ink and claim the treasure as yer own?

1.) Go to https://www.dcode.fr/whitespace-language
2.) Paste the white text in interpret whitespace code
3.) Decrypt it
4.) This will be output

usm cldagf niehruymj xehbaefo ia dftndv wa wte bqpv fhm. Af fgme, wte oplzqlzg jbd i fxocrtd, iag fhrz hmeh eobo mcfb yoijyo gkq fncftbxe teflahuq fepx buh saympwa rhee uz Zrgnenso'a fkup. 5.) goto https://www.boxentriq.com/
6.) search vigenere cipher
7.) paste text in vigenere cipher input box
8.) click on auto solve without key
9.) this will give us the key Blindman
10.)now decode it and enter the key
11.)the pirate carefully prepared an attack on the open sea. As ever, the boarding was a success, and they were soon busy moving the fabulous treasure from the galleon over to Redbeard's ship. Without doubt, this was a formidable haul of treasure, almost as big as what Redbeard already had. He rubbed his hands, thinking about continuing to multiply his riches. When they had loaded all the treasure, they sank the galleon, and the pirates prepared a great feast to celebrate the deed. As drunk 6W6rO7XII9B4!N0BlIE9<,uPYF*2M7?YFS"FF as they became, they didn't realise that their own ship was gradually sinking, since the treasure haul had been so big and heavy that the boat could not stay afloat.
12.)Go to cyberchef paste 6W6rO7XII9B4!N0BlIE9<,uPYF*2M7?YFS"FF into input
13.)From base85 decrypt it CSTCF{Big_5hip_4Treasure_hunt} is the output
